## County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works

Jeremy Ghent, Operations and Planning Manager

VIA: Dave Flynn, Deputy Director of Public Works

DATE: 4/19/2016

SUBJECT: Hearing to consider: 1) Presentation of the 2015 Avila Circulation Study and Traffic Impact Fee Update; 2) Adopting the resolution increasing the Road Improvement Fee in the Avila Fee Area; 3) Adopting an Addendum to the Mitigated Negative Declaration for the Avila Circulation Study (2011) pursuant to Section 21000 et seq. of the California Public Resources Code (CEQA); and 4) Direct Public Works to assist the Department of Planning and Building in the investigation of the Avila Beach Drive traffic allocation program as contained in the San Luis Area Plan. District 3. Staff recommends continuance of this item to July 19, 2016.

### **RECOMMENDATION**

It is recommended that the Board continue this item to July 19, 2016.

### **DISCUSSION**

On March 27, 1990, the Board of Supervisors approved the Avila Circulation Study and adopted a resolution imposing road improvement fees on new development under the provisions of Ordinance 2379. The Board also adopted the most recent update of the Avila Road Improvement Fee Resolution on December 16, 2014 and a Public Notice for 2016 update had been set in February of this year.

Pursuant to Government Code 66006(b), the Public Works Department intended to present the annual report for the Avila Valley area. This report informs your Board and the public on the overall status of this program. However, work to determine the appropriate mitigation fee is ongoing.

The Planning Department has been investigating Avila Beach Drive traffic capacity and measurement methodology. The Avila Circulation Study and Planning's effort analyze many of the same aspects of traffic in Avila. Combining the Public Works and Planning item into the same future Board date should provide better information for discussion and Board decisions.

### **OTHER AGENCY INVOLVEMENT/IMPACT**

N/A

### **FINANCIAL CONSIDERATIONS**

There are no financial impacts for the continuance of the hearing item.

## **RESULTS**

The results of continuing this item will allow Public Works and Planning to collaborate on a uniform update to Avila area traffic.
